- **Portfolios** – Students will track their own work through organizing a portfolio of individual work

AREAS OF TECH THEATRE WE WILL EXPLORE IN THIS CLASS:

Various articles and other handouts

EXPECTATIONS:

Students are expected to attend all class sessions, arrive on time, participate in class activities, and treat all members of the class community with respect, compassion, and kindness. Disrespect and or/judgement towards peers and/or the teacher will not be tolerated.

CELL PHONES NEED TO BE OFF AND PUT AWAY FOR THE ENTIRE DURATION OF CLASS! I do have a phone safe in which students can place phones. In doing so, a student can earn .5 extra credit point each time (added to participation grade)

GRADING: 100%-90% A 89%-80% B 79%-70% C 69%-60% D

- Participation 20%
- Assignments/Small Projects 15%
- Exams 15%
- Quizzes 15%
- Portfolios 5%
- Final
 - Production Project 15%

MATERIALS NEEDED:

Students will be required to maintain a class portfolio (to include notes, assignments, quizzes reflections, ideas, etc.) throughout the semester. Ideally, this would be a thin three-ring binder with dividers for different units and sections. **Portfolios must be neatly organized.** Portfolios will be checked periodically. There will be 5 total points possible for each check. Students will get at least 3 days notice before a portfolio check. Students are expected to attend every class with the required materials (they will vary depending on the unit). Appropriate clothing and shoes must be worn to all class sessions: something comfortable that the student can move in easily that also adheres to the safety policy. You might get messy – you may keep clothes here for specific units. **Closed-toed shoes must be worn for all production sections of the class.**
