Speech & Debate		
Based on OSAA Regulations, students that attend Riverside will NOT have the opportunity to participate in OSAA athletics/activites at another high school even if Riverside does not offer that sport/activitiy.		Althletic **Club** Programs do not fall under the same guidelines as OSAA Programs, therefore if Riverside does not have a club program, students ARE able to participate in their "home" school club.

* Riverside High School plans to continue to expand our programs as we grow and through facility improvements in a future Bond.

** Although Riverside High School will not be participating in OSAA Band and Orchestra at the current time, we **WILL** have an exciting & unique music program that includes courses and activities such as Guitar and Rock Band!
