## Grades 6-8 Sexuality Education Opt-out Form

Please indicate the topics you are selecting for opt-out by checking the boxes below for your child's grade level. If you are opting your child out of part of a topic, please explain in the space at the bottom. Returning this form to your child's Wellness teacher is the way to inform the school that you do not want your child to participate in activities about any or all of the topics checked below.

### Grade 6 Topics:

- Human development: puberty, reproduction, pregnancy
- Boundaries

### Grade 7 Topics:

- Promoting healthy relationships
- Consent and recognizing sexual and gender-based harassment
- Gender identity and sexual orientation: definitions, respect, acceptance of all individuals

### Grade 8 Topics:

- Sexual health: abstinence, consent, refusal skills
- Promoting safe dating
- Reporting abuse
- Preventing pregnancy and STIs
- Sexual harassment and reporting abuse

Please describe or explain if there are specific parts of topics where you want your child to participate in alternative health learning. \_\_\_\_\_
