This document describes the rights granted by federal law to students with disabilities. The intent of the law is to keep you fully informed concerning decisions about your child and inform you of your rights if you disagree with any of these decisions.

You have the right to:

1. Have your child take part in, and receive benefits from public education programs without discrimination based on disability.

6. Have your child educated in facilities and receive services comparable to those provided to non-disabled students.
7. Have evaluation, educational, and placement decisions made based upon a variety of information sources, and by persons who know the student, the evaluation data, and placement options.
8. Have education and related aids and services provided to your child without cost except for those fees imposed on the parents/guardians of non-disabled students.
9. Have your child be given an equal opportunity to participate in non-academic and extracurricular activities offered by the district.
10. Examine all relevant records relating to decisions regarding your child's identification, evaluation, educational program, and placement.
