FROM THE PRINCIPAL

Dear Parents and Community Members,

How do we create learning communities for the greatest thinkers and most thoughtful people...for the world?

The West Linn-Wilsonville School District mission "question" expresses Sunset's dedication to outstanding student achievement. We use regularly scheduled assessments, student-teacher conferences and State tests to measure student learning and identify significant avenues for school improvement.

The redesigned ODE school report card provides additional information. Sunset's Overall State Rating of 5 indicates we meet targets for reading and math. Sunset is extremely proud of our

outstanding rating and we look forward to continuing excellence at this level! Sunset is committed to remarkable annual learning growth for all children. We must pay particular attention to supporting subgroups of learners, such as emerging bilingual children and those with disabilities, to continue to achieve the highest rating.

Sunset is synonymous with strong community. We look forward to collaborating with you to grow the greatest thinkers and most thoughtful people for the world.

Thank you,

Principal | Lisa Hawking

OVERALL STATE RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall state rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please be aware that this rating is based mainly on high-stakes testing and accordingly, represents a limited view of student performance. Other aspects of this report card are designed to put this rating in the proper context.

Compared to all schools statewide in 2012-13, this school is rated as Level 5.

Level 1 = Falls into the bottom 5% of schools

Level 2 = Falls between 5% and 15% of schools

Level 3 = Falls between 15% and 44% of schools

Level 4 = Falls between 44% and 90% of schools

Level 5 = Falls into the top 10% of schools

Compared to elementary schools with similar student demographics in 2012-13, this school's rating is above average.

Below average = Falls into the bottom third of comparison schools

About average = Falls into the middle third of comparison schools

Above average = Falls into the top third of comparison schools
